

Ultra Lemon

Hand Cleaner

APPLIED A3963

| | | | | | | | |
|-------------------------------------|---|-----------|-----------------------------|-----------|-----------------------------|----------|--------------------------|
| Description: | <p>Ultra Lemon has been scientifically formulated using naturally occurring citrus oils which work as extremely effective cleaners in conjunction with polymeric beads to give gentle abrasive action.</p> <p>Ultra Lemon comes highly recommended for any application where soap is just not effective e.g. mines, manufacturing and engineering workshops, auto repair and maintenance, garages and the handyman's office.</p> | | | | | | |
| Intended Use: | <p>Ultra Lemon should be used wherever petroleum solvent based hand cleaners are not acceptable.</p> | | | | | | |
| Product features: | <p>Removes the toughest grease and oils from hands and body.</p> <p>Leaves a pleasant lemon scent which masks those offensive grease odours.</p> <p>Contains no petroleum solvents.</p> <p>Contains no pumice or silica. Uses polymeric beads for abrasive action.</p> <p>Formulated to reduce potential skin allergies. Contains 2, 4, 4-Trichloro-2-Hydroxy-Diphenylether.</p> <p>Can be used on wet hands.</p> <p>Contains a lanolin based emollient.</p> | | | | | | |
| Typical Physical Properties: | <p><i>Technical data should be considered representative or typical only and should not be used for specification purposes.</i></p> <p>Appearance: Yellow, viscous liquid.</p> <p>Fragrance: Lemon.</p> | | | | | | |
