

Bulldog Ultimate

Premium Heavy Duty Vehicle Wash

APPLIED ABDULT

Description:	<p>Bulldog (ABDULT) has been "iconic" within the Australian Mining and Heavy General Engineering Industries as a strong, heavy duty vehicle wash. Bulldog Ultimate now joins that company as a truly high performing, cost effective product specifically formulated to remove dirt, soils, light grease/oil and road stains from trucks, buses and all forms of On and Off Road Transport.</p> <p>Bulldog Ultimate is a complex blend of some newly developed surfactants, sequestering agents, and natural solvents which ensure a thorough clean, effortlessly. It is safe for use on all metals.</p>								
Intended Use:	<p>Bulldog Ultimate is a high foaming product that can be applied via a specially designed dilution system and sprayed onto bodywork, glass, aluminium and all types of truck curtains. It has remarkable rinsing capabilities and will not streak when hosed effectively.</p>								
Product features:	<p>Rapid Emulsion Break formulation* Quickly removes all dirt and road grime. Highly effective at removing exhaust staining. Free rinsing - No streaks Highly concentrated – reduces overall cost of use. High foaming - longer contact time. Safe on all surfaces. Including fabric and plastic curtains. Will not attack paintwork or chrome. Very economical to use. Available in 1000lt IBC's and Bulk deliveries can be arranged.</p> <p><small>* Enables emulsified oils and grease to be removed by interceptors such as grease traps and Coalescing Plate Separator/Triple Interception systems</small></p>

Odour:	Mild	pH (Concentrate):	9.9	Solubility in water:	Miscible in all dilutions
Appearance:	Bright yellow, heavy bodied liquid.								
Odour:	Mild								
pH (Concentrate):	9.9								
Solubility in water:	Miscible in all dilutions								
Directions for Use:	<ul style="list-style-type: none"> • Generally used at a concentration of 1 part product to 15 parts water • If time permits sponge or brush surface. If not, allow to penetrate for as long as possible. • Hose or pressure rinse away all residual suds. It is most effective to rinse from the bottom up to the top and back down to the bottom again. This rinses soils from crevices. • If practical, chamois all paintwork for a great result. 								
Storage:	Avoid temperature extremes.								
Precautions:	<p>Please refer to appropriate safety data sheet (SDS) prior to using this product. For technical assistance, please call 1800-063-511 FOR INDUSTRIAL USE ONLY</p>
